About me:

I am an outgoing and friendly individual, who takes pride in any work I am involved in. I have recently finished a degree in Wine Business, predominately studying business and operations in the wine and spirits industry, completed at Plumpton College under Brighton University.

Besides my studies, my true passion lies in computing and technology. I am now undertaking my own learning into both computer science and software coding languages, predominantly C#. I am now highly focused on progressing my career through software development and testing.

Employment History:

2008 – 2017 - Sainsburys Retail Supermarket (BWS, Grocery Department, Cashier)

2011 – 2012 - Barneys Bar & Restaurant (Bar Work)

2012 – 2013 - Building Site Labourer (General Labour)

2017 – 2017 - Waitrose Supermarket (General Assistant)

2017 – Current - TOTO Energy (Client facing administrative work)
